_____ Songs (Lead the large group in fun songs with motions—music will be played)

_____ Skits (Those choosing to do skits will meet during our decorating mtg. to practice)

CREW LEADER: You will have a group of 5-7 kids. You'll sit with them for the opening song & skit. Then you will lead them to the different centers: snacks, games, crafts, and story time. You'll help your kids with their crafts and join in their games, snacks, and story. At the end of the morning you will bring them back to the large group for the closing songs and give them any handouts or take-home items

NURSERY: You will remain in the childcare room to help with the babies and toddlers of moms who are volunteering in the VBS program. You will help some of the older toddlers with games and crafts. Your greatest job is to help entertain these young people by playing with them, reading to them, etc.

GAMES: You will remain in the game area and help as needed.
